CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Dear Mr. Taylor:

Please be advised that on January 31, 2005 at 1:00 PM CST, at a regularly scheduled Conference of the Tennessee Regulatory Authority, there will be two (2) items considered in regard to Tel West Communications, LLC.

On August 31, 2004, Tel West filed a Petition for Waiver of the Requirement to Obtain a Performance Bond or Irrevocable Letter of Credit. Although you have been advised that this agency does not have the authority to waive the statutory bond requirement and this petition was submitted without the required \$25.00 filing fee, it has been assigned the docket number of 04-00272 and will be addressed at the January 31, 2005 Conference.

On December 10, 2004, Tel West filed a letter with the Authority requesting cancellation of its Certificate of Authority in Tennessee, which was originally granted under docket number 99-00565 in the name "Classic Telephone Company." Nevertheless, because Tel West does not have a surety bond in place, revocation of Tel West's certificate will be considered on January 31, 2003.

Both these items will come before the Authority on January 31, 2005 at 460 James Robertson Parkway, Nashville, Tennessee 37243. This hearing is open to the public and anyone wishing to be heard on this matter should be present at the hearing.

Sincerely,

J. Richard Collier
